SCENIC FLIGHTS

Aerius Helicopters operate scenic flights from three handy locations.

- Kiwi 360 - 35 Young Road (8 km's South of Te Puke)
- Kaituna River Jet - 316 SH 33 (10 km's South of Te Puke)
- Tauranga Airport (by arrangement)
- Jean Batten Drive, Mount Maunganui

Our scenic flights start from short local flights for those who want to experience a great view and the thrill of a helicopter ride. For a birds eye view of the regions lakes, mountains and geothermal areas, including Mt Tarawera or White Island, choose from one of our longer options. Can't decide on which flight to take? We can create a package for you.

For a full on adrenaline rush, we can combine your helicopter flight with a Jetboat ride or 4x4 off road trip. If you require something more relaxed, we can fly you to a local winery for wine tasting and a bite to eat.

ISLAND ESCAPE

Fancy escaping the mainland to your own secluded island? Tuhua (Mayor Island) is a dormant volcano located 40 kms off the Bay of Plenty coast. Home to Kiwi's, Tuatara, and many other endangered native birds and lizards, Mayor is a nature lovers paradise. Enjoy white sand beaches, towering Pohutakawas and sheer cliffs as you explore this unique island. Aerius Helicopters has exclusive landing rights on the island and offers two Island Escape options for you.

ISLAND PICNIC

Land on the sandy shores of South East Bay. From here your pilot will take you on a leisurely walk through Pohutakawa forest to an isolated beach flanked by towering cliff faces. If you're lucky you will see the islands resident seals. Relax with a gourmet picnic and take in the views. This is the perfect location to pop the big question, or just to get away from civilisation.

DEVILS STAIRCASE

This half day tour takes you up to the crater rim and out to the 'Devils Staircase'. Named because of the narrow ridge with a 200 ft drop on either side. Your hike will take you through native bush with beautiful views. Once back at your helicopter, sit down to a light lunch. A high level of fitness is required for this tour. All safety gear is provided at the Devils Staircase.
