

LET'S KEEP IT LOCAL TePuke™

KIA KAHA

Support local business for a brighter future.

NOW IS THE TIME TO SUPPORT OUR AWESOME LOCAL COMMUNITIES.

Stretching from the Papamoa Hills to Otamarakau the Te Puke region is our slice of Paradise. It's the grunty engine room of industries and services which contribute to the huge success of the wider Bay of Plenty region and New Zealand and that's something we're proud of!

TePuke goodness grows here tepukegoodnessgrowshere.co.nz

Get online and check out the epic stuff which is right here in your back yard.

Or take a selfie at the giant kiwifruit slices in Jellicoe St, grab a Maketu pie (which is world famous in NZ), walk the dog on the beach or go to the movies, but keep it local. Our local communities have something for everyone.
